

Towards a Strong, Sustainable and Dynamic European Film Industry and Culture 2030

Tallinn 27 November 2017

OUR MISSION

European Film Agencies
empower European film across
formats and platforms

VISION 2030

Everyone living and working in Europe will be able to access, enjoy and celebrate Europe's rich diversity of films

Call for Action - 1

A supportive, political, financial
and regulatory environment in
Europe

Call for Action - 2

Embrace technological change

Call for Action - 3

Make available comprehensive
and transparent data

Call for Action - 4

Promote European film locally
and globally

Call for Action – 5

Create the conditions for high-quality European film which connects with its intended audiences

Call for Action - 6

Enhance co-production
mechanisms

Call for Action - 7

Educate film professionals in a
changing world

Call for Action - 8

Embed film in education

Call for Action - 9

Protect and share our European
film heritage

Call for Action - 10

Collaborate better across the
film sector
