### ***FNE Cross Promotion Partners, Festivals, Events***

During the EU grant 1 January – 31 December 2017 period FNE supported and/or promoted the following **57 Events - 20 of which were Creative Europe - MEDIA supported Events**. FNE paid special attention to bring VALUE ADDED to events supported by Creative Europe-MEDIA with additional promotion of these events. There was a major impact at each of these events with partners reporting greater visibility of their event and the AV works presented there, positive feedback and a greater participation of film professionals from LAVC countries.

The greatest proof of the IMPACT is that the partner events wish to continue.
